Career Objective

Highly motivated Full-Stack Software Developer with **over two years of experience** in **Next.js, TypeScript, Express.js, and Prisma**. Eager to apply my expertise in developing high-performance, scalable web applications **from conception to deployment**. Committed to optimizing user experiences, writing maintainable code, and utilizing modern cloud platforms to deliver robust solutions.

Skill Highlights

Frontend: JavaScript, TypeScript, React.js, Next.js, Tailwind CSS, ShadCN UI, Ant Design, Redux Toolkit, RTK Query, React Query

Backend: Node.js, Express.js, MongoDB, PostgreSQL, Prisma ORM, Mongoose ODM, REST API

Deployment & Hosting: DigitalOcean (App Platform, Droplet, Databases, Object Storage), Cloudinary, Webuzo Panel

Tools: VS Code, Git CLI, GitHub, Postman, Chrome DevTools, ClickUp

Soft Skills: Communication, Adaptability, Time management, Patience, Multitasking

Work Experience

Flexpoint (Newark, US)

October 2024 – Present

Software Developer (Front-end) - Full Time (Remote)

- Spearheaded UI development (90%), enhancing page load times by 30% and achieving 99% responsiveness across devices.
- Developing and maintaining scalable, high-performance web applications using TypeScript, React.js, Next.js, and modern front-end technologies.
- Collaborating with UX/UI designers and backend engineers to ensure seamless API integrations and a smooth user experience.
- Optimized front-end performance, reducing API load by 40%, and refactored reusable components, decreasing code duplication by 25%.
- Managed end-to-end deployment of Next.js frontends on DigitalOcean App Platform, ensuring seamless CI/CD pipelines and optimal performance.

Repliq Limited (Dhaka, Bangladesh)

July 2023 – June 2024

Junior Software Developer (Front-end) - Full Time (Onsite)

- Playing a pivotal role in the front-end development of a B2B medicine management system, ensuring its successful journey from inception to production.
- Managed version control (Git) for team collaboration and conflict resolution.
- Upholding code quality standards, while actively involved in building new features and codebase refactoring utilizing JavaScript, Next.js, and other front-end technologies.
- Collaborating closely with the backend team to ensure seamless API integration and working closely with the project manager to address new feature requests.

- Developed reusable and user-friendly UI components for existing websites.
- Built a UI library using Ant Design for Storybook integration.
- Assisted in developing a mid-level admin panel website.
- Worked closely with designers and backend developers for seamless integration.

Projects

Flexpoint - [Live Site](#)

- Developed a scalable, high-performance web application with a seamless UI/UX, ensuring an optimal user experience.
- Optimized front-end architecture by building modular, reusable components with React.js, Next.js, and TypeScript.
- Worked closely with UX/UI designers and backend engineers to streamline API integrations and enhance application performance.

MediMart - [Live Site](#)

- MediMart is an online pharmacy (e-commerce) platform
- Features a comprehensive admin panel for managing products, orders, and users.
- Integrated a secure SSL payment gateway to ensure safe and reliable transactions.
- Contributed to the project's success by utilizing React.js, Next.js, Tailwind CSS, MobX, and other modern front-end technologies.

ProHR - [Live Site](#)

- Implemented an advanced candidate matching algorithm in ProHR, enhancing recruitment efficiency by precisely aligning candidate skills with job requirements.
- Integrated video calling functionality, enabling seamless scheduling and management of virtual interviews, optimizing communication and resource allocation.
- Developed a streamlined onboarding module, simplifying and accelerating the onboarding process for new hires.

Education

B.Sc. in Computer Science & Engineering (2018 – 2024)

Daffodil International University

Ashulia, Dhaka-1341

Professional Training

Complete Web Development Course- Programming Hero, 2022

Web Design and Development Course- European IT Institute, 2020

Language

Bangla- Native

English- Comfortable
